

2019 WEATHEREYE
ESTATE SYRAH
Red Mountain AVA

100% Syrah

Sourced at 1,230 feet—the highest planting on Red Mountain. Aged 18 months in a combination of new and used French oak barrels. Aromas of black cherry cordial, boysenberry, black plum, huckleberry, wild sage, menthol, black olive, smoked brisket, smoked beef ribs, coffee grounds, violets, tar, crushed rock, flower, and barrel spice. Full-bodied with ripe, intense dark fruit flavors and a brooding, complex profile. Grippy, building tannins provide structure, with nicely integrated acidity and a mineral, savory finish that dances on the tongue. Drink 2024–2034. 170 cases produced.
