

2021 WEATHEREYE
ESTATE CLAIRETTE BLANCHE
Red Mountain AVA

100% Clairette Blanche

A rare grape in the US, crafted from two northeast-facing blocks: a dense en echalas planting (enhancing minerality, acidity, and energy) and a wider-spaced bush vine block below (adding richness and texture). Aged 14–15 months in neutral French oak. Aromas of Meyer lemon, pineapple, jasmine, honeysuckle, white peach, Japanese pear, roasted macadamia nut, and light baking spice. Mouth-watering acidity with beautiful texture, richness, and salty minerality. 50 cases produced. Drink 2023–2031.
