

2021 WEATHEREYE
ESTATE L'ATOMIQUE
Columbia Valley AVA

39% Viognier | 33% Roussanne | 16% Clairette | 7% Marsanne | 5% Grenache Blanc

Vineyard Manager Ryan Johnson's field selection, destemmed, cold soaked for 7 days with native yeast fermentation, 30 days maceration on skins, gravity-drained to barrel (free run only, no pressing). Not an orange wine—just a white with color and texture. Beautiful yellow gold with a silvery rim. Aromas of tangerine peel, white and yellow flowers, beeswax, lanolin, fennel, sagebrush, lavender, dried apricot, nectarine, sweet spice, kiwi, kumquat, hazelnut, baking spices, toasted brioche, candied lemon peel, and dehydrated pineapple. Luxuriously soft and enveloping with vivid orchard fruits and salty mineral tones. Balanced acidity, smooth and lush mouthfeel, bone-dry and savory with an earthy finish. Kaleidoscopic aromatics and lots of texture. 56 cases produced. Drink 2023–2031.
