

2022 WEATHEREYE
ESTATE CABERNET SAUVIGNON
Columbia Valley AVA

93% Cabernet Sauvignon | 4% Merlot | 3% Cabernet Franc

Late flowering in 2022 was followed by near-perfect conditions from July through harvest, resulting in remarkable flavor and texture with ideal balance. Sourced from the north side of Red Mountain. Fermented in stainless steel and concrete, then aged 22 months in 70% new French oak barriques. Aromas of cassis, black cherry, cedar, and crushed rock with hints of sandalwood, saline minerality, and exotic spice. Medium to full-bodied with finely integrated acidity and tannins, a delicate lacy texture, and a long, graceful finish. 255 cases produced. Drink: 2027–2042
