

2022 WEATHEREYE
ESTATE CLAIRETTE BLANCHE
Columbia Valley AVA

100% Clairette Blanche

A varietal-rarity sourced from two northeast-facing blocks with different vine spacings and training systems. The higher-density en echalas block provides shade and leaf cover for minerality, acidity, and energy. The lower wide-spaced bush vine planting brings more sun and exposure for richness and texture. Barrel-fermented and aged 14–15 months in 28% new French oak. Aromas of Meyer lemon, pineapple, jasmine, honeysuckle, ripe pear, dried herbs, toasted almonds, lime, roasted peanuts, peach, honey, graham cracker, and sage. Medium to full-bodied with bright, mouthwatering acidity, satiny and expansive texture, and a long finish with pleasant textural bite. Only 46 cases produced. Drink: 2026–2036
