

2022 WEATHEREYE
ESTATE L'ATOMIQUE
Columbia Valley AVA

36% Viognier | 32% Roussanne, 22% Grenache Blanc, 7% Clairette Blanche and 3% Marsanne

Vineyard Manager, Ryan's field selection is a bold, singular expression of its mountain origin, destemmed and co-fermented with 25 days skin contact, only the free-run juice was aged 14–15 months in neutral French oak before bottling unfiltered and unfiltered. Aromatically intense, it reveals tangerine zest, citrus blossom, stone fruit, dried herbs and savory spice, layered with hints of almond, honey and tropical fruit. The palate is full-bodied, textured and opulent, balanced by soft acidity and a long, phenolic, mineral-tinged finish. Powerful yet refined, this is a wine built for both immediate impact and extended cellaring. 65 cases produced. Drink 2026–2034.
