

2023 WEATHEREYE
ESTATE CLAIRETTE BLANCHE
Columbia Valley AVA

100% Clairette Blanche

A rare, vibrant, high-elevation expression shaped by a dramatic growing season and WeatherEye's wind-swept, rocky terrain. Whole-cluster pressed and fermented in neutral oak, it aged on its lees for 20 months before bottling unfiltered and unfiltered. Bright and lifted, it reveals layers of lemon peel, candied citrus and dried apricot, alongside floral, herbal and saline nuances.

The palate is textured and expansive, balancing citrus-driven energy with a plush, mouth-coating richness and stony minerality. Both powerful and finely etched, it captures the freshness, structure and complexity of the vintage with remarkable precision. 75 cases produced. Drink 2025–2035.
