

2023 WEATHEREYE  
**ESTATE HILLFIGHTER**  
Columbia Valley AVA

35% Syrah | 35% Mourvèdre | 30% Cabernet Sauvignon

A more hedonistic, expressive blend sourced from distinct micro-blocks and aged 22 months in 65% new French oak. The vintage's long, moderate season and wind-swept, high-elevation site yielded fruit of depth and balance, captured here in a wine that is both powerful and immediately engaging. Aromas of blackberry and raspberry compote unfold alongside baker's chocolate, graphite, dried olive and warm baking spice. The palate is plush and generous, with a rounded core of dark fruit layered with savory nuance, supported by fine, tea-like tannins that lend structure without heaviness. Polished and approachable yet deeply concentrated, it reflects both the intensity and precision of the site. Drink 2026-2036.
