

2023 WEATHEREYE  
ESTATE MOURVEDRE  
Columbia Valley AVA

100% Mourvèdre

Sourced from northern blocks, fermented in stainless steel with fully destemmed fruit. Entirely free-run juice, aged 18 months in 30% new French oak barrels. Aromas of brambly boysenberry, cracked black pepper, and crushed wild herbs interwoven with sea-spray minerality, wet forest floor, and iron. Dark-fruited richness on the palate, ripe yet taut, wrapped in firm, grippy tannins. Notes of baked plum, charred rosemary, and smoked meat lead into an earthy, umami-laced finish. 100 cases produced. Drink 2026-2036.
